Ship Herald of New Bedford Bound to the Pacific

Tuesday May the 15th 1849

Commences with strong winds from the South ships lying at
anchor in the stream at 7 A.M took over anchor & proceeded
down the bay at 10 A.M discharge the pilot & then stood
out to sea at 12 the wind came round to the S.S.W we
made a number of tacks at 2 P.M wind to the South again
course S.S.W all hands sick

at sunset Seamans land bore N.E 15 L

Wednesday the 16th

begins with a fine breeze from S.W with all drawing sail
on course S.S.W this day at noon Lat 37 Lon 71.54 West
so ends this day

Thursday the 17

Commences with light airs from
course S by E middle part the same
took in top gal sails double reefed
mainsail & J took in fore & main
main course &c

Lat 39 Lon 71.56 West

Friday the 18

Commences with strong gales from S.S.E course S.S.E
at 8 A.M took in the fore sail & main & the wind heading
to the S.S.E it blew very hard all night & the same

Lat 40 Lon 71.30

Saturday the 19th

Commences with a moderate breeze the S.E heading
by the wind to the E.S.E at 5 A.M more moderate set the
fore sail & fore topsail Course S.E at 6 let one reefe out of
top sail & sett the gaff sails the same
Saw a sail in sight

Lat 40 Lon 69.35

We are growing old ... By ... s
We are growing old, how the hour will rise
When a glance is backward cast ...
On some long remembered spot that lies
In the silence of the past.
It may be like shrine of our early vows
Or the tomb of our early tear
But it seems like a par... to us
In the stormy sea of year...

...ry
is no
... man
...as for-
...is spec-
... Heaven
nistry that
sermons in
fishermen
been in
...the

...mon
...tual
just

And again to the child
The sign that with the
Father the merciful father
All one can make it, all
and

One step and then another.
And the longest walk is ended.
One station and then another.
And the longest event is mended.
One look upon a star.
And the highest wish is made.
